

TWO CENTRES

CAORLE & LAKE LEDRO

Discover some of Italy's little known treasures on this Two Centre holiday.... delightful **Lake Ledro** tucked in a valley above Lake Garda and **Caorle**, a charmingly friendly and relaxed resort on the Adriatic Sea; with hotels carefully chosen for their warm welcome and comfortable facilities and a number of excursions included in your holiday, this is an ideal choice.

CAORLE (ADRIATIC RIVIERA)

Where fishermen once set out at sea, now tourists stop to soak up the sun. A pretty resort, at the northern end of the Adriatic between the cities of Trieste & Venice.

Caorle's wide sandy beaches are immaculately clean. The enchanting old town (centro storico) with its sunny little squares, fishermen's cottages painted in pastel colours, and a mix of designer stores, souvenir shops, fashionable boutiques, inviting pizzeria, coffee bars and ice-cream parlours, where you can seat outside and watch the world go by.

Fishing is an important part of life in Caorle; it is a pleasure to watch the colourful fishing boats returning into the pretty harbour and unloading the fresh supplies of fish for the market and local restaurants.

But best of all, Caorle is just a stone's throw from Venice, but without the high prices - making it an ideal holiday resort.
